16	Beginning of the third address line is bent upwards slightly. 
17 1cf	Small break in the top left serif of the “J” of <i>TARJETA</i> and breaks in the “e” of <i>en</i> in the note and in the thick frame line below it.  40€
18 1og	The adornment on the end of the lower thick line is absent and the lower thick frame line is broken 4 mm to the left of the corresponding vertical line.  50€
19 1ch	The letters “scribirse” in <i>escribirse</i> are in bold face type.  70€
20	Break in the bottom thick frame line below the “d” in <i>firmado</i> . 

Compared to later issues, the 1878 card was quite elegant. Its engraver (at least of the indicium) was José García Morago whose initials, JG, appear at the base of the bust.

Mint copies are plentiful, but used copies are exceedingly scarce.

The adornment on the end of the lower thick line is absent and the lower thick frame line is broken 4 mm to the left of the corresponding vertical line.

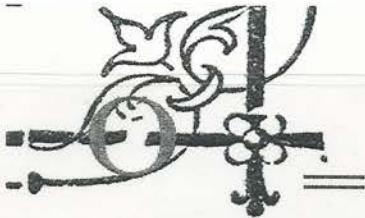

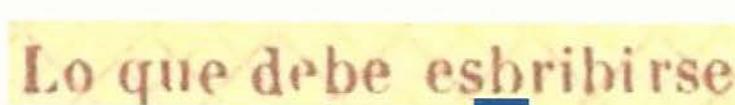

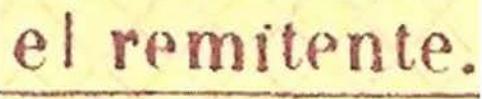

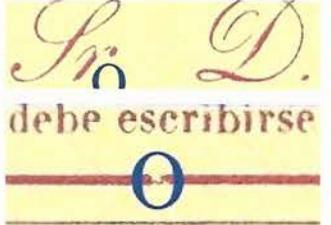

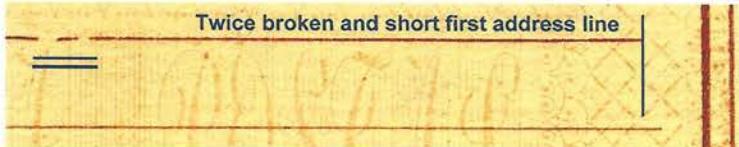

Plate 2 was almost entirely different. No full sheet survives, only partial multiples. Consequently one cannot be certain where a variety appeared on the plate. I have, therefore, added letters after the numbers to avoid the perception of designation as a plate position. They are described as follows:

Position	Characteristics of 1879 Plate 2
A 2Aa	Type II "r" in <i>Sr</i> ; no period after <i>Sr</i> .   <small>Type II "r" ends with a hook</small>
B 2Aa	"esbribirse" in place of <i>escribirse</i> in the note.  

Position	Characteristics of 1879, Plate 2	
C 2Ac	Smaller font of “á” of both <i>hará</i> and <i>irá</i> and two breaks in the right thick frame line to the right of the second address line.	 50E
D 2Ad	Break 7 mm from the beginning of the first address line and 6 - 8 breaks in the bottom thick frame line.	 60E
E 2Ac	Break in the first address line below the indicium and smaller font in “á” of both <i>hará</i> and <i>irá</i> .	 50E
F	Position not yet identified. What was formerly classified as Plate II, Position F, has been shown to be Plate I, Position 3, before a break occurred in the top thick frame line.	
G 2Ag	Missing accent on the “á” of <i>irá</i> in the note.	 80E
H 2Ar	Dot of “i” of <i>remitente</i> displaced to the right.	 100E
I 2Ai	No period after the “D” in <i>Sr. D</i> and shortened first address line at its start.	 90E
J 2Aj	Missing 6 mm section of left thin frame line towards the top.	 60E
K 2Ak	Break in the bottom thick frame line below the “q” in <i>que</i> and smaller font in “á” of <i>hará</i> .	 50E
L 2Al	There is a missing “i” and large “b” in <i>escribirse</i> (1.5 mm).	 120E

Position	Characteristics of 1879 Plate 2	
M 2Am	Missing left half of the "o" in <i>Nota</i> and missing accent on a small "á" in <i>hará</i> and small "á" of <i>irá</i> . 	 90
N 2Am	Second "A" of <i>TARJETA</i> is smaller and broken "N" in <i>Nota</i> and "L" in <i>Lo</i> . 	 60e
O 2AO	Small "á" and missing accent in <i>hará</i> and break in the thick frame line below the "el" of <i>el reverso</i> . 	 60e
P 2Ap	Broken top of "L" of <i>Lo</i> and break in the thin frame line below "el" of <i>el reverso</i> and small "á" of <i>hará</i> . 	 120e
Q	No period after Sr.; break in the bottom thick frame line below the "sc" in <i>escribirse</i> ; two breaks in the left thin frame line to the left of <i>Sr</i> and <i>TARJETA</i> . 	 60e
R	The first address line is about 2 mm short on both ends. Bottom thin frame line is broken below the "sc" in <i>escribirse</i> . The second address line dips below the <i>D</i> (somewhat obscured in illustration by the handwriting). 	 60e
S	Position not yet identified.	
T	First address line is short (76mm) with two breaks under the "Cs" and first "E" of <i>PESETA</i> in the indicium. 	 60e
